Search & Create Tournaments

Create Tournament

A smartphone mockup displaying the 'Create Tournament' screen. The screen features a background image of a person playing a video game. Overlaid on this are several dark grey rounded rectangular input fields with white text labels: 'Tournament-Name', 'Number of participants', and 'Which Game?'. Below these is a toggle switch with a game controller icon on the left and a white circle on the right. Underneath the toggle is another dark grey rounded rectangle with the text 'Key (only when private)'. At the bottom center is a large orange rounded rectangle with the text 'Create'. In the bottom right corner, there is a small orange circle containing a white gear icon.

Tournament Search

A smartphone mockup displaying the 'Tournament Search' screen. The screen features a background image of a person playing a video game. At the top, there is a dark grey rounded rectangle with a magnifying glass icon on the left and the text 'Search'. Below this is a large dark grey rounded rectangle with the text 'ListView mit Turnieren' centered inside. In the bottom right corner, there is a small orange circle containing a white gear icon.

Code verbessern und Bugs entfernen

► Bugs

- Freunde adden bzw. entfernen funktionierte nicht einwandfrei
- Notification-Service aktivierte sich nicht, obwohl man angemeldet war.

► Optimization

- Duplikate von Code wurden mit einer statischen Methode ersetzt.
- Code wurde, bei wenigen Stellen, minimiert.
- Unnötige Variablen und Imports wurden entfernt.
